Medicart - General specifications

Medicart Drawers Standard & Small

Medicart Roller Shutter

All three models of the Belintra Medicarts are **multifunctional medication carts**, assembled in a modular way, with numerous options in configuration and applications. The medication carts have a **very low rolling resistance** and today find their application in emergency, residential and care centers, anesthesia, surgery, ...

The Medicarts are built to the **highest safety standards** and also meet all ergonomic and hygienic requirements. They can be equipped with a wide range of accessories and **with or without IT and locking**.

Synthetic worktop

The sleek synthetic worktop consists of **one continuous surface** with raised edges on 3 sides. There are **no sharp edges**, which makes the worktop easy to clean.
The worktop has a high scratch resistance, suitable for all common cleaning products and disinfectants and is UV- and heat-resistant. Everything wipes right off, even disinfectants that stain like ISO Betadine®.
A stainless steel worktop is also possible upon request.

Corner profiles

The extrusions are designed as such, that all Belintra accessories can be installed very easily, even by your own technical staff.

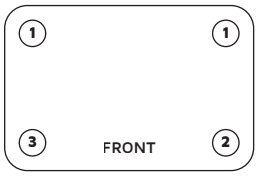
Castors

The castors meet the highest quality standards, and the design is the result of years of expertise. Studies have shown that the dual castors result in **50% less rolling resistance and improved maneuverability of the cart**.

The Medicart has double swivel castors, two with a brake of which one antistatic.



1. Swivel castor
2. Swivel castor with brake - antistatic
3. Swivel castor with brake

Double castors study: low rolling resistance and easy to manoeuvre

Type of medical cart		Competitor cart 1	Competitor cart 2	Belintra Test cart
Start forward thrust Castors straight	Measurement 1	5,38	7,90	2,79
	Measurement 2	6,40	6,30	3,98
	Measurement 3	7,40	6,90	3,92
	Average	**6,39**	**7,03**	**3,56**
Start forward thrust Castors transverse	Measurement 1	8,30	10,20	7,70
	Measurement 2	8,10	9,50	7,40
	Measurement 3	9,80	12,40	6,10
	Average	**8,73**	**10,70**	**7,07**
